Book Names Committee Heads

Eric Book, an executive of the Andrew Corporation at Orland Park, took office as mayor of Mokena at the board meeting the night of May 5.

He and the newly elected trustees, George Bills and Roy Richardson, beginning their first terms as such, and Clarence Zugenbuehler, incumbent, were sworn in by Village Clerk Alvin Sorensen, himself just re-elected. Sorensen was sworn in by the retiring mayor, Charles

Swanberg.

Committee chairmen named by Mayor Book for the coming two years are: Police, Gary Chase; Sewer and Water, Marvin Weitendorf; Streets and Alleys, Hans Mueller; Licenses and Ordinances, Trustee Zugenbuehler; Buildings; Trustee Richardson, and Public Property and Claims, Trustee Bills.

Except for the committees no other appointments were announced.

Before the old board adjourned it gave confirmation to the appointment of Albert Janner to the plan commission for a term expiring Dec. 31, 1966, and Mayor Charles Swanberg reported he had issued a liquor license to Mrs. Angeline Surovic.

The board members expressed their thanks for the fine service performed by Swanberg during his four years as mayor.

At the meeting of the new board Mayor Book read a letter from the plan commission asking the board for a change in zoning regulations concerning lot sizes for a 50-acre tract bounded on the north by 195th street, Francis rd., on the south, 115th ave. on the east and 118th ave. on the west. Village Attorney Ronald Galowich explained that the plan commission has nothing to say about changing zoning regulations. This was a matter for the zoning board of ap-

peals, he said, and suggested that the contractor should come before the board and ask what he could expect if the property were annexed. Village Engineer Ralph Yunker is to apprise him of the procedure.

Trustee Weitendorf reported he had a bid from Clyde Yunker to install a six-inch watermain on Francis rd. from Wolf rd. to the west village limits. The price is \$1,000, which includes installation of a fire hydrant. This portion of Francis rd. is to be paved by the county and village. It will have curbs and gutters.

The bid of Trygg Paving of \$3,987.53 for repair work on First st., Parker, and McGovney street from Wolf rd. to Mokena street and several other area, was the lowest of four submitted and Trygg was awarded the contract. The other bids were: Inlaid Paving, \$4,635.75; Blacktop of Joliet, \$5,218, and Lenz Oil, \$5,736.

Emmanuel Evangelical Lutheran church, which is located in the old village park area, is to be abandoned for use by that congregation when the new church is completed off LaPorte rd. Ralph Niemann asked the village what could be done with the property. Galowich said he would check with Attorney Albert H. Krusemark who has done the legal work for the church and then notify Niemann what action can be taken.

Mokena Park Board To Build Tennis Courts

Charles Swanberg was re-elected president of the Mokena park district at the organizational meeting. Edwin Yunker was re-elected vice president.

The two newly elected members, William Steen, of Lincolnwood, and Arthur Omland, of Mokena, also joined the ranks of officials. Steen was elected secretary, replacing Mrs. Florence Niethammer whose term on the board expired this spring. Mrs. Niethammer served on the board for six years.

Swanburg reported that the board has purchased 10 more picnic tables. It will have 54 tables available for use this season.

He also announced what is expected will please ten-

nis enthusiasts - that the board plans to build four courts this year.

The summer recreational program for children residing in the district will get under way with registration on June 14 and 15 -- that will be a Monday and Tuesday. The program is to run for eight weeks - thru Aug. 6, which falls on a Friday.

Cindy Robinson, daughter of Mr. and Mrs. Norval Robinson, a student majoring in physical education at Eastern Illinois university, will be in charge of the program.

There will be equipment with which the youngsters can amuse themselves and there will also be games and other forms of recreation.

L-W Boys Have High Physical Rating

With all that is heard about the poor showing American youth make in physical fitness tests, it should encourage the parents of Lincoln-Way high school students to know that their kids have proven to be in better physical condition than the average youth in America and Great Britain.

According to a recent study on physical fitness, compiled by Ronald Stopka, L-W physical education instructor, "Lincoln - Way boys were far superior to the average U.S. and Great Britain boy in all the fitness tests used in this study. They have greater upper muscular strength and endurance, greater cardio - vascular - respiratory endurance, more speed, power, agility,

coordination, greater flexibility and balance."

In the light of some startling evidence that the average American youth is becoming less physically fit this study speaks well of the L-W physical education program, directed by Jerome Wiedman and Miss Barbara Federman. Other instructors in the P.E. department include Ronnie Meloney and Paul LaVinn. There are some warnings pointed out in Mr. Stopka's report which are of importance, however. He states that, "Recent studies at Yale university, West Point Military Academy, University of Illinois and other colleges have confirmed that American youth are becoming softer, more shortwinded,

and more susceptible to organic diseases. It has also been recognized that they are lacking vitality."

With these known facts, and many others, which do not compliment American youth, Lincoln-Way area citizens can justly be proud of the conditioning program the area youth have, which includes their home environment as well as P.E. programs in area schools, it was pointed out.

Fitness tests used for the purposes of this study were the same as those used in the Great Britain and other U.S. studies. Some of them were: pull - up test, sit - up test, shuttle run test, 50-yard dash, standing broad jump and 600-yard run.

Plans For Service Roads Are Still Up In The Air

Some 60 residents of Frankfort and New Lenox townships, including township and school district officials and administrators, attended the public hearing last Friday which dealt with the closure of numerous roads when transcontinental highway I-80 is built thru the area.

The hearing was conducted in the Exhibition hall of the Fred Francis 4-H Field, Francis rd. by Michael Hartigan, assistant Elgin district engineer of the Illinois division of highways. Statements by interested property owners, most of them protesting the proposed closures, plus those of the township officials, were recorded on tape and according to Hartigan will be studied at Springfield.

There wasn't anything the highway people could tell property owners concerning the location of service roads. Plans for these, they said, will have to be worked out later.

The state men indicated that plans for the construction of I-80 and the service roads in the area were little more now than a gleam in some engineer's eye.

Supervisor George Tate, accompanied by the Frankfort township attorney, Louis Bertani, and Attorney Walter O. Herschbach, representing Robert Maue and Louis Holm, joined with a dozen property owners to protest the closing of 104th ave. unless some provision is made to give access to their holdings.

Supervisor John Francis, of New Lenox, with the township attorney, John B. Anderson, Jr., was also at the meeting in his capacity of chairman of the subdivi-

ision committee of the Will county board.

Francis pointed out that I-80 will cut thru 11 subdivisions and he wanted assurance that the service roads would be constructed to meet county specifications for subdivisions and that they would be maintained by the state without any cost to Will county.

Walter Yunker, Frankfort township highway commissioner was on hand, as was James Ennis, superintendent of the Mokena grade schools. He was protesting the closing of 104th ave. because school buses travel this route.

Lester Brown, New Lenox postmaster, objected to several of the closures, stating that this would make mail deliveries difficult.

Supervisor Fred Yunker, of Orland township, also attended as some of the area near the Cook county line is involved. There are plans now to move the interchange originally set for Oak Park ave., to Harlem ave., and Supervisor Tate would like to have it moved a mile further west to 80th ave.

Supervisor Francis is concerned about having service roads that will keep subdivisions open so traffic can circulate. He also opposes closing 104th ave.

One request is to give Francis road traffic a bypass when that road is being carried over I-80 in the vicinity of Sievert rd., as it is referred to by the state and Clinton st. as it is known in the township.

The attorneys present protested that notice of Friday's hearing had been insufficient.

Attorney Anderson made

a request that the state highway division grant New Lenox officials a hearing on a proposed interchange for I-80 on Cedar rd. State highway officials have gone on record as opposing such an interchange location.

The roads which would be closed or severed that were discussed at Friday's hearing include Sievert rd., Clinton st., and Maria Lane, near Francis rd.

Elm st., Beverly blvd. and Branchaw blvd. off Cedar rd. south of U.S. 6.

Maynard rd., Edward Parkway, Mary ct., Richard ave. Lynn Parkway and Ruth drive near Parker rd. in Oakbrook subdivision.

Haley rd. Regad rd. and Warren drive at Marley.

104th ave. and a piece of Maple rd. east of U.S. 45 in Frankfort township.

hints for homeowners

Everyone wants a beautiful lawn that will add to the overall attractiveness of a neighborhood. Therefore, a considerable amount of time, money, and effort goes into developing an attractive turf.

Since the development of modern weed killers, much of the effort has been eliminated from lawn care. Pre-emergence materials such as dacthal, trifluralin, zytron, tupersan, and others help the homeowner to win the battle of crabgrass before it starts. However, two things should be remembered when using these materials. First, they should be applied before the crabgrass seedlings sprout. This will be about May 15 to 30 in the greater Chicago area.

The second thing that must be remembered is that these pre-emergence materials, except for tupersan, may not be applied to newly seeded lawns. Thus, if you have both a crabgrass problem and a problem with a thin patchy lawn, use the new material tupersan and overseed as usual. However, if you use some of the other excellent crabgrass control materials, don't apply them to the bare areas that you wish to seed. In these instances, lightly seed those bare areas that are over six inches in diameter and avoid applying regular crabgrass killers. Spots smaller than six inches will quickly knit together in less than one season of growth.

Just as important as crabgrass control is fertilization. Properly applied, fertilizer can give your lawn the regular green color that creates the ideal setting for the shrub border or foundation planting. If you have already fertilized in March, an additional application this month is in order. Use eight to ten pounds of a 10-6-4, 10-8-6, or similar grade fertilizer per 1,000 square feet of lawn. If you use some of the popular high analysis fertilizers such as 20-10-5, 15-5-5, or 16-8-8, use 4-5 pounds per 1,000 sq. ft.

Fertilizing and weed killing are jobs that are performed only a few weeks of the year. Mowing, however, is done throughout the entire season; thus, it's important to do it properly. Clipped too long, and the lawn loses its attractiveness. A good medium height recommended by the University of Illinois is one and a half to two inches for blue grass lawns. If you have spot seed-

ed, mow the lawn when the old grass reaches two and a half inches, regardless of the height of the new grass.

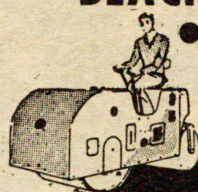

Broad-leaved weeds in established lawns can be readily controlled by spraying with 2-4-D, 2-4-5 TP or a combination of the two. Some of the more persistent weeds such as chickweed may need up to three applications at two week intervals. The repeated applications are required because of the two week breakdown of the chemical in the soil. Dandelions,

however, are extremely resistant to weed killers when they are in bloom. Best wait until after their blooming season is over before spraying them.

Begin Work On I-80 Grade Separations

While no plans will be available for sometime, according to state engineers, for the actual construction of FAI - 80 highway between Wolf road and Harlem ave., there is work underway on some of the "structures," as grade separations are termed.

Contractors hauled in machinery and began work Monday on the separation north of Mokena where Wolf rd. will cross over the site of FAI-80.

Apparently the initial step in the job will be to build a by-pass so Wolf road traffic can proceed while the other work is in progress. Crews were roughing out a roadway east of Wolf rd. from 183rd st. to below 187th.

Wolf rd. will pass over I-80 because it is much cheaper, it was pointed out, to life a two-lane road than a four or six lane expressway with a broad median strip.

An interchange is scheduled for the vicinity of 183rd street and U.S. 45, with Route 45 passing over I-80. According to a reliable source the interchange on U.S. 45 will necessitate moving that highway a short distance to the west of the present underpass under the Rock Island.

Thomas R. Madden Co., of Chicago, has been awarded a contract for construction of the grade separation on Francis rd. Francis rd. will cross over I-80 in the vicinity of Clinton st. or Sievert rd. The contract price is \$194,987. New Lenox township and school officials are concerned over the report that no by-pass is included in the work at this point. No by-pass would mean that Francis rd. would be closed to thru traffic

for the duration of the job.

Work in the proposed interchange on U.S. 30 west of New Lenox - in the vicinity of Providence high

school -- has been underway since last fall. Some work was done there when weather permitted last winter.

Boy Recovering From Injury By School Bus

The condition of Edward Hargrove, 6 year old New Lenox boy injured last Thursday when struck by a school bus was reported as good yesterday at Silver Cross hospital and he is believed to be on the road to recovery.

The youngster escaped any broken bones but suffered a concussion, according to information given New Lenox Police Chief George Kennedy.

The boy, a son of Mr. and Mrs. William Hargrove, has been attending the morning kindergarten session at Marley school and with other pupils was picked up at New Lenox by bus and returned there.

The bus reached a point on Haven ave. at Cedar rd. at noon and halted there to let three children off, one of whom was the Hargrove boy. The bus driver, William Duerr, 30, of 353 Francis rd., saw three children pass in front of the bus to cross Haven. He assumed they were the three that had just alighted from the bus and

put the vehicle in motion.

He heard a thump, Duerr later told Chief Kennedy and looking into his rearview mirror saw a child lying in the street. Duerr stopped and ran back to assist the youngster. The boy was taken to the hospital in a Baskerville ambulance and for a brief period was confined to the intensive care section. Later he was moved into the children's department.

No one actually saw the accident, as far as police have been able to learn but it is believed that the Hargrove boy lagged back after alighting from the bus and another boy who was standing on the curb walked across the street with the two youngsters that had just gotten off the bus. Then Edward is believed to have started across the street but hadn't quite cleared the bus when the vehicle started up. Edward apparently wasn't run over and is believed to have suffered a glancing blow to his head. There was a laceration there.

Annual Poppy Days Set For May 21-22 By VFW

Mayor Stanley Gilmore today gave his whole-hearted support to the Veterans of Foreign Wars Buddy Poppy campaign which will be held in New Lenox next week, May 21 and 22.

"The wonderful things that the VFW is doing with the proceeds from the Buddy Poppy sale more than warrant a generous contribution from each member of this community," the mayor said. "The prompt help given disabled and needy veterans, the care given the orphans and widows of our honored war dead, the fostering of Americanism --

these are some of the highly commendable things done by the VFW thru our support of the poppy sale."

Harry E. Anderson post, VFW, and its Ladies Auxiliary will have charge of the poppy sale at New Lenox.

It was pointed out that many of the disabled veterans benefit directly from the sale because many of them devote their time and effort to making the poppies that are sold and for this work are compensated.

The poppy has served as a memorial flower for the service dead since World War I.

Plans Concert At Lincoln-Way

The Mixed Chorus at Lincoln-Way high school under the direction of Tom Olson will give a concert Friday night, May 21, in the school auditorium beginning at 8 o'clock.

Girl soloists on the program will be Jenny Doering, of New Lenox; Vonnice Freidin, Frankfort; Nany Erwin, of New Lenox; and Patricia Hartnell, of Manhattan. Boys with solo parts are George Pokorny, of New Lenox, and Dennis Cappel, Mokena.

Eight boys and girls comprise a group that will sing "pop" numbers. They will be accompanied by a pianist and a bass fiddle player.

There will be songs for everyone, according to Olson.

Tickets are 75 cents for adults, 35 cents for youngsters.

Looking for high style? Look again...and you'll buy Gas

Very "in".

Very out of the ordinary.

We think you'll agree once you've seen the chic new styles and latest colors of modern gas ranges.

And you'll love the many time and work-saving features of a new gas range, too.

The "Burner-with-a-Brain" ends pot-watching. Automatically maintains any temperature of your choosing.

Programmed Ovens roast food to perfection—then keep it serving hot for hours, automatically.

Top burner control is instant on, instant off—saves time and bother.

Smokeless broiling means kitchen walls stay clean longer.

Economy?

Nothing beats the thrift of a modern gas range (unless it's a campfire).

High time you saw the high style of today's gas ranges.

Visit your appliance dealer's, or any Northern Illinois Gas Company showroom.

V.F.W. Auxiliary To Hold Poppy Sale Next Tuesday

Telephone 479-3521
The Ladies Auxiliary of
VFW Post #725 will hold its
annual Poppy Day sale
Thursday, May 18, Mrs.
Russell Stankus is the chair-
man.

A joint installation of the
William Martin Post #725
and the Ladies Auxiliary will
be Sunday, May 23 at 3:30
p.m.

The public is cordially
invited to attend.

The regular meeting of the
Altar and Rosary Society of
St. Mary's parish is sched-
uled for Thursday, May 13 at
8 p.m. in the all-purpose
room. This meeting will be
the annual Past Presidents
night. All past presidents
who are able to attend will
be honored for their past

service to the society and the
parish.

Hostesses for the eve-
ning will be Bernardine Lof-
tus, Miriam LeBeau, Edna
Klinger, Irene Koester,
Joyce Petnuch, Mrs. Wil-
liam Schlickling, Ann Beal,
Mrs. John Miller, Ethel
Marshall, Virginia Jecha and
Beatrice Olson.

The Mokena Keenettes
held a meeting recently.
Karla DeVito gave a dem-
onstration on how to make
drop biscuits and Candy Fee
gave a talk on flour. Chris-
tine Rath is now a member
of the 4-H club.

Miss Elizabeth Lehmann,
daughter of Mr. and Mrs.
Fred Lehmann, 11003 Car-
penter st. participated in the
recent spring tour of the
MacMurray college choir.
They performed in Lansing
and Calumet City, Ill., and
in the Dearborn and Detroit,
Mich., areas.

Sunday, May 16, the men
of the Holy Name Society of
St. Mary's parish will cook
and serve breakfast to the
women of the parish and their
daughters. This is an annual
event, and usually proves the
old adage that men are the
best cooks after all. It is
one affair when all the
men invite all the women of
the parish to taste the culin-
ary delights prepared by the
"Man of the house."

Cindy Robinson, daughter
of Mr. and Mrs. Norval Rob-

inson, Burr Oak Lane, pledg-
ed Delta Zeta sorority at
Eastern Illinois university
where she is a freshman,
majoring in physical educa-
tion.

The Women's Fellowship
of St. John's United Church
of Christ will hold its meet-
ing Thursday, May 13 with
dessert and coffee at 1 p.m.
The devotions "Living Re-
sponsibility" will be given
by Mrs. Mary DeForest. The
program will be a film about
the hospital ship SS Hope.

The ladies serving are:
Mrs. Florence Christenson,
chairman, Mrs. Clara
Schmidt, chairman, Mrs.
Alice Maue, Mrs. Grace Al-
exander, Mrs. Emma Klose,
Mrs. Emma Luplow, Mrs.
Frieda Reincann and Mrs.
Betty Yunker.

Also, Mrs. Alma Steen,
Mrs. Florence Bruser, Mrs.
Lillian Martie, Mrs. Erna
Schoeneck, Mrs. Mabel Ben-
son, Mrs. Mildred Shevlin
and Mrs. Rose McMahon.

In order to allow shoppers
to buy during the evening
hours, the original schedule
for the rummage sale spon-
sored by St. Mary's Altar
and Rosary Society Friday
and Saturday, May 14 and 15,
has been changed to the fol-
lowing times: Friday eve-
ning, from 7 til 9 and Sat-
urday during the day from 9
'til 2. It is believed that
these times will be more
convenient for shoppers who
may be out looking for spe-
cial bargains or particular
items.

Mrs. Chas. Rogal, chair-
man, and her committee will
be on hand in the gym all
day Friday to accommodate
anyone who wishes to browse
or shop for articles already
priced. The variety is end-
less. Anyone wishing to do-
nate to the sale may do so
by bringing the merchandise
to the gym anytime Thurs-
day, Friday or Saturday be-
fore 2 p.m. The members of
the society may bring their
donations to the regular

meeting on Thursday night.

The Women's Fellowship
of St. John's church will hold
a rummage sale May 25 and
26 in the church parlors, be-
ginning at 9 a.m.

The Goodwill Industries
truck will be in Mokena on
Thursdays, May 13 and 27 to
pick up repairable articles
of clothing, appliances and
small furnishings. Anyone
wishing the truck to stop
should call 815-722-5189.

Due to being transferred
on the night shift at his place
of employment Walter Lock,
Cubmaster of Pack 38 is un-
able to continue to serve as
leader. Therefore, a new
leader is being sought and
anyone interested in serving
is asked to contact him at
479-5445.

At the recent Pack meet-
ing awards were presented
to: Jimmy Roesener, David
Rust and Eddie Schult -
bear badge; Billy Edwards
and Tom Homerding, silver
arrow; Nelson Cadwallader,
Scott Knierem and Billy
Steen - denner; Gary Iwas-
iuk, assistant denner and
Ronald Bettenhausen, wolf
badge.

A Pinewood Derby race
was held with Allen Ebert
as winner and Nelson Cad-
wallader receiving a prize
for the most original entry.

A ruling has been enforc-
ed in the Pack that one or
more parents or guardian
must accompany a member
of the Pack to the meetings
or he will not be admitted.
The May meeting will
serve as the final meeting
of the season with a family
picnic being planned for the
month of June in the Mokena
Community Park.

The annual Fine Arts a-
ward concert was held May
9 at Willowcrest school. The
concert is a culmination of
a years work by the band,
chrous, literary and art de-
partments. These depart-
ments each participated in
the Illinois elementary
school association contests
on a district, sectional, and
state level. The State Band
contest was held at Spring
Valley, Ill. and the state art,
literary and music contest
was held at Niantic, Ill.

The literary and music de-
partments received the fol-
lowing honors at the state

contest. Literary - Bonnie
Wallschlaeger, first place
in humorous reading; Scot
Stewart, first place with an
oration; Roxanne Knakmuhs,
and Jeanne Puro, second
place in serious poetry. Mu-
sic - Elaine Gilbert and
James Lang, first place in
solos; a girls sextet and a
boys sextet received second
place. The Willowcrest
chorus received a rating of
first place.

All students who partic-
ipated in the contests this
year received their awards
during the concert.

Cub Scouts To Windup Meetings With A Fair

MRS. EDWARD HOVI Telephone: 479-5740
Cub Scout Pack #10 held its regular monthly Pack meeting at the school Friday, April 30. Three of the dens participated in a skit about vegetables.

The Smokey the Bear attendance prize was awarded to Den 4, Mrs. Hart's Den for having the most parents attending the Pack meeting. This is awarded each month.

The last Pack meeting of the season will be held at the school Friday, May 28 at 8 p.m. This meeting will feature a Fair complete with booths manned by the boys. Please set aside this one night during the month for the benefit of your sons.

The next meeting of the Arbury Hills Civic Association will be held at the school on Tuesday, May 25 at 8 p.m.

The volunteer workers for the Civic Association are in the process of contacting each home in Arbury Hills pertaining to the water situation. Each home is expected to be contacted prior to the meeting of May 25. The results of the straw vote is expected to be announced at that time.

The First Nighters held their meeting at the home of Mrs. Alice Broekstra Thursday evening, May 6. The winner of the hostesses prize was Mrs. Betty Fife, and the next meeting of the group will be held at the home of Mrs. Sylvia Way of 9522 W. Hickory st., Thursday, June 4, at 8 p.m.

The Summit Hill Boy Scout Troop Number 10 brought the bird houses and the bird feeders, which they had made, to the Salem Old Peoples Home in Joliet. The gifts were appreciated by all the residents there.

The Cadette Girl Scouts were busy with some of the girls making aprons for their mothers for Mothers' Day.

The Junior Girl Scouts are

having a Mother - Daughter Table D'Hote Buffet this Saturday from 7 p.m. until 8 p.m. followed by a program from 8 until 8:45 p.m.

The Cadette Girl Scouts will act as servers for the dinner, so that the girls of the Juniors may devote themselves to their mothers for the evening.

The Arbury Hills Boys Baseball League held their second Candlelight bowling party with the crowd having a hilarious time trying to see the alleys by candlelight. In order to soothe their fevered brows, there was a cocktail hour following the bowling. The alleys again awarded booby-prize trophies for the most gutter balls.

Soil Stewardship Week To Begin In Churches

"Challenges of Growth" is this year's theme for the annual national observance of Soil Stewardship Week, sponsored locally by the Will - South Cook Soil and Water Conservation District.

Special services in churches in this area Sunday,

May 23 will open the week, said Richard McHugh, president of the district, and other observances will take place on the following Sunday, May 30.

Chairman McHugh explains that this year more than ever the responsibility of the town and city dweller is being emphasized in the annual observance.

"It is not an idea for the

farming areas alone", he pointed out, "Our neighbors in town have a great stake in what happens to the land that sustains us, and it is a stake that will grow in importance as our national family grows and producing acreages become less".

Booklets and other materials for the week's observance are being provided by the National Association

of Soil and Water Conservation districts to those churches requesting them.

The manner of observance varies between churches as in some churches sermons will be delivered on mankind's Christian obligation in the use of soil and its related resources, McHugh said, while others will refer to the observance during the worship hour.

Eagles In Tie For Lead In Baseball Standings

BY BILL KAROLICH

The Eagle baseball team climbed into a first placetie with Evergreen Park last week with victories over Lincoln-Way (6-5), Homewood - Flossmoor (14-2) and Bremen (6-4).

Don Urbanciz upped his pitching record to five wins and no losses, while Roland Roth evened his record at three victories and three defeats.

Ed Peterson picked up his first win of the year against Lincoln - Way. Peterson pitched the sixth and seventh innings without being touched for a run. In the top of the eighth, Tom Hofferica popped out to short to start the inning. Jerry Knapp was safe on an error, and on the first pitch to DePeder he stole second. The stolen base

proved incidental, however, because George DePeder hit his second home run of the game, driving in his second and third runs of the game.

After a strikeout, Al Ivins singled to left, advanced to second on a ball, and scored on Phil Aliano's hit to right field. This proved to be the winning run, because in the bottom of the eighth, the Knights scored two runs. The first three batters to face Peterson all reached base on hits. With men on second and third, the Eagles committed their eighth error which loaded the bases with no outs.

At this point, Roth came in to pitch. He walked the first man to face him, but retired the next three batters on a pop out and two strikeouts.

Against Homewood-Flossmoor Roth, in five innings, struck out nine batters and walked only one. In four innings the Eagles scored 14 runs on 13 hits. Hoffer-

ica went 3 for 4, DePeder went 3 for 3, with two R.B.I.'s and Roth collected his first two hits of the season, going 2 for 3 with three R.B.I.'s. Ron DeHertogh drove in four runs. Both Homewood - Flossmoor runs were unearned.

On Friday, May 7, Urbanciz pitched shutout ball for 6 1/3 innings, but the roof fell in. Bremen scored four runs, two of which were unearned. Urbanciz struck out nine, walked three.

The Eagles collected ten hits off three Bremen pitchers. Jim Richardson and Al Ivins collected two hits apiece.

The leading hitters on the squad at this time are Don Urbanciz, .353; George DePeder, .324; Al Ivins, .316; and Phil Aliano, .304.

This week the Eagles is host Oak Lawn, Reavis, and Lemont in the Sandburg District. Sandburg plays Oak Lawn on May 10, Reavis plays Lemont May 11, and the winners play May 12. On May 13, the Eagles must go to Rich and play the second place Rich Rockets.

L-W Nine Loses Conference Tilts To Spartans, Mustangs

BY NORM BEEBE

Lincoln-Way suffered its sixth loss in ten games when the Spartans of Oak Lawn stopped the Knights 2-1 in SWS conference competition.

Game honors went to Oak Lawn hurler Housman who gave up only one hit to the Knights while walking six and striking out nine. Housman pitched the entire game for the Spartans and was one of the few pitchers in the conference to pitch a no-hitter earlier in the season.

Mike Derrig accepted the loss for the Knights by pitching only one inning of play. Jon Davis and Rick Fitzgerald made a mound appearance for the Knights by pitching one and five innings respectively.

Oak Lawn tallied their first run at the opening of the game when Martinek tripled to left field and was later driven home on a solid single off the bat of Matulis. No other runs were registered by either team until the seventh inning when Lincoln-Way tied the Spartans after a line triple by Keith Schram which scored Tom Stoner from first.

Oak Lawns winning run came late in the 7th inning

when Mannerino hit a grounder to the pitcher who threw wild to first, allowing Smol (who was on second because of a sacrifice by Iser) to score the final and winning run of the game.

Lincoln - Way dropped their third straight conference loss last Friday against the Evergreen Park Mustangs 4 to 3 in an overtime game.

Knipper took the game honors for the Mustangs by pitching three innings, giving up no hits, no walks and three strike-outs. Daubert finished the remaining six innings, giving up five hits, walking four and striking out five.

Mike Derrig took the loss for the Knights by pitching four innings, giving up one hit, walking one and striking out six. Jon Davis completed the remaining three innings for the Knights. Lincoln-Way now has a 3-7 standing in baseball competition this year. Thruout the entire game the Knights were hampered by errors. Lincoln - Way committed three errors while the Mustangs only committed one.

L - W's three runs were scored by Larry Sorensen, Rich Fitzgerald and Mike Bernard who came in as a

pinch runner for Schubert in the 6th inning. The Knights secured one run in the fifth and two runs in the sixth while Evergreen scored three runs in the fifth and the game winning run in the ninth. With this victory, the Mustangs added another tally to their 3 - 3 record in Southwest Suburban conference competition.

The four runs earned by the Mustangs were by Knipper, Johnson, Jacobsen and Bruning.

Joliet West Next Tennis Foe Of CSHS

BY TIM SEDGWICK

The Carl Sandburg tennis team will finish its dual meet schedule next Wednesday (May 19) at Joliet West with hopes of bringing its dual meet record to 10-5. The team will finish the season with the SWS conference meet May 21 and 22 at Bremen.

In last week's competition the Eagles split four matches, bringing their record to 9-5.

Distaff Golf

BY BIRDIE McDIVOT

Nothing stops the ladies from Willow Run Golf Club from playing golf -- not even the weather. Last Thursday they played tho the skies were gray and the showers didn't daunt them. Helen Churchill was the winner for the day with a 38 net and Dorothy Tyler and Jean Prina tied for a low 41 net for second. Next week third and fourth low net will receive the golf balls. After their nine holes of play, some of the golfers enjoyed luncheon and bridge in the afternoon. Both of these activities make an enjoyable day away from the humdrum of housework.

Tuesday morning Tom Geary, the Club's pro, provided golf lessons at which time pictures of the group were taken. Tom will continue the lessons each Tuesday 9:30 a.m. for beginners and 10:15 for advanced. Come on out girls and join us.

See you next week?

Burros Elect Officers For Coming Year

The following officers were elected at the May 3 meeting of the Mokena Burros football team held at the Carpenter street school: Norman Patterson, president; William Ryan, vice-president; Beverly Scalise, treasurer and Mrs. Melvin Moutrey, secretary.

During the meeting a discussion was held about a booth and float during the July 4th three day celebration in Mokena, sponsored by the Burro's. Bob Pierson, James Craft and Bob Fortman are in charge of the float and would welcome any ideas concerning it.

Many parents attended and refreshments were served.

Sandburg Track Team Is Facing Two Meets

Next Tuesday and Wednesday (May 18 and 20) the Eagle track team will be in conference competition and Head Coach Robert Gadt is expecting the sophomores to finish on top and the varsity to land in the top four.

The varsity, Gadt believes, will be strongest in the hurdles, pole vault and relays as was shown last week in the district meet.

The district was held last week-end at Bloom. Sandburg managed to collect only two points on Jim McGhee's fourth in the pole vault but the runners turned in their best times of the year in some events.

McGhee's fourth in the pole vault set a school record, the 12'5" vault being six inches higher than the old mark.

Sophomore Ed Zeman set the frosh - soph mile record with a time of 4:53.9, which was 1.9 seconds better than the old record.

In other competition last week the Eagles were downed by Rich East 65-54 and by Homewood - Flossmoor 63 1/2 to 54 1/2. The frosh - sophs downed both teams, beating H-F 89 - 27 and Rich East 62-56. Tom Johnson set a frosh - soph pole vault mark when he went over the bar at 11' 6".

Yunker Imp. Co. To Demonstrate "Wheel Horses"

The third annual Wheel Horse field demonstration at Yunker Implement Co., 159th and Wolf road, Orland Park is to be held Saturday and Sunday, May 15 and 16 from 10 a.m. to dusk.

A pony, complete with saddle and bridle will be awarded to the lucky person who has registered his name at Yunker Implement. There is nothing to buy, just register.

Every half hour, two cowboy hats will be given away, free "hack" rides will also be provided and refreshments will be served.

Erwin Yunker, owner, invites everybody to come out and see the powerful Wheel Horse in action.

Devine Plans Canadian Fishing Jaunt For Boys

Look deep into the eyes of the next boy you meet on the street. Chances are you will see visions of a Canadian lake beyond the end of the road, a seaplane winging its way to a fishing camp along waters broken only by northern pike, walleye, and lake trout. Stretch this out over 10 days when the sun rises at 5 a.m. and sets at midnight and you will have the full picture.

That is the way Joe Devine, athletic director at Carl Sandburg High School, describes Black Bear Fishing Camp about 50 miles northwest of Red Lake, Ontario, and he is making it possible for a group of boys to take the trip this August.

Plans call for the group to leave Orland Park on August 5 and drive to Red Lake, Canada. Each car will have an adult driver and carry five boys.

From there the group will be flown to Black Bear Lodge, owned and operated by Walt Rundle, teacher at Palatine High School. Rundle has spent the past 15

summers in the Red Lake area, operating camps of this type.

For six days the boys will be occupied with three main activities: fishing, eating and sleeping. Devine stressed that this is designed for boys who like fishing and outdoor life. Black Bear Lodge is not a sport skill camp, and the boys are free to spend their time as they wish.

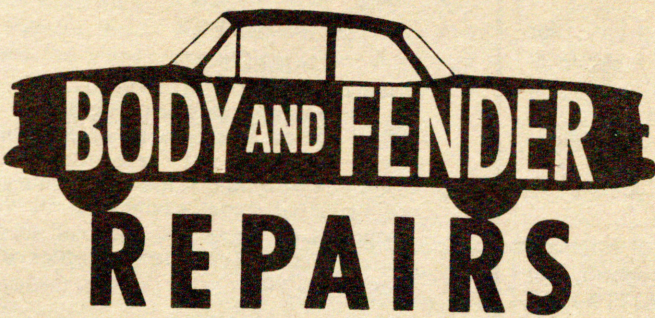

Cost of the trip is \$115 per boy and includes transportation to Black Bear Lodge and back, lodging for 10 days, flight into and out of Black Bear lodge, boat, motor, fuel, transportation of one northern and one walleye home, and health and accident insurance.

Boys interested in the trip should contact Joe Devine, athletic director at Carl Sandburg. A \$25 deposit is required and final payment must be made by May 1.

"Because we are limiting the number of boys making the trip," Devine said, "we will go on a first-served basis."
